# FOR SENIOR MANAGERS

Grades J and above

# New to management?

Are you a brand new manager to the City Council? Have you been promoted internally to a management position? Congratulations!

We encourage you to attend these six bitesize courses in your first six months to give you the tools you need to start confidently in your new role.

# Being a great manager at the **City Council**

Learn best practice, become more self-aware as a person and as a manager and learn how to get the best out of you and your team.

# **Managing Difficult Conversations**

Learn practical steps to help you handle these conversations better and, where possible, get the right outcome for you, the employee and the city council.

# **Absence Management**

Managers will understand how to effectively manage absence in their areas using the Managing Attendance Policy and Toolkit.

# **Managing Performance Issues**

Improve your ability to manage performance issues positively and robustly.

## **Recruitment and Selection**

Essential learning for all managers who have responsibility for recruitment and selection.

## **Managing and Leading Teams**

Gain a deeper understanding of your team, consider what makes them tick and how to get the best out of them. Identify your and their preferred communication style and how it can help effective communication
